NOTICE FOR NURSES AND MIDWIVES FROM FOREIGN COUNTRIES WISHING TO PRACTICE IN RWANDA

This notice is intended for all nurses and midwives coming from foreign countries wishing to practice temporarily in Rwanda.

The following requirements must be met when seeking permission to practice nursing or midwifery in Rwanda.

- A letter expressing interest to work in Rwanda including proposed dates of visit
- A letter of approval from the Ministry of Health
- A letter of support from the organisation where the applicant intends to work/ practice while in Rwanda
-
- A recommendation from the health facility where the applicant normally works as a nurse or midwife, or the sponsoring organisation
- A practicing license from the regulatory body in the country of origin or locale of current practice
- Curriculum Vitae (Resumé)
- Passport size photograph in colour taken against white background (2)
- Valid passport
- Visa (where applicable)
- Criminal clearance record which is current
- Current academic level (if applicable)
- Completion of NCNM application form and submission of copies of all supportive documents

Additional Notations

The NCNM reserves the right to reject the application if there are details missing or if the applicant does not meet all requirements to be considered.

If documents are supplied via email, applicants must present to NCNM office with originals prior to deployment to clinical site

Temporary license is granted for one year only. Should the applicant wish to stay longer they must apply again.

Malpractice insurance and verifying documentation may be required (please refer to Rwanda Government website for updates)

Where the language of application or documents is in a language other than the official languages used in Rwanda (Kinyarwanda, English, French or Kiswahili) the documents must be professionally translated first.
